Tasting Notes:

The 2014 Dante Cabernet Sauvignon shimmers a brilliant red in the glass, with youthful purple undertones. Enticing aromas of blackberry, cranberry, milk chocolate, and coffee beans greet the nose, while the mouth is layered mix of blueberries, richly roasted coffee, fresh vanilla bean, and the light smokey char of toasted oak. This vintage of Dante is both dense and approachable - the perfectly balanced wine for an impromptu dinner party or the star of a special meal.

Enjoy with a bacon-wrapped meatloaf or barbecued buffalo burgers with all the trimmings.
